Riedel Vinum Chardonnay Wine Glasses

Description:

Riedel Vinum Wine Glasses make every drop of wine taste its best. Riedel revolutionized glassware by customizing the shape of wine glasses to a particular type of wine. Each wine glass is fine-tuned to direct the flow of the wine onto parts of the palate that will best express the flavors and aromas of a specific wine varietal. The fine crystal offers superb clarity so you can experience the wine's color and texture. Moreover all machine made Vinum stems are completely dishwasher safe. Made of over 24% leaded crystal. The Riedel Vinum Chardonnay wine glass is perfect for dry white wines including Chablis and lighter-style Chardonnay. Its narrow rim directs the flow of wine toward the mid-palate allowing you to appreciate the balance of fruit flavors and acidity. The subtle elongation of the bowl captures the complex characters of the wines aromas. Recommended for: Bordeaux (white) Burgundy (white) Chablis Chardonnay Chenin Blanc Pinot (Blanc Grigio Gris) Viognier. Size: 7-3/4"H 12-3/8 oz. Riedel Model # 6416/5

Regular price: ~~118.95 USD~~
