# skybar Wine Chill Drops

#### Description:

Fast chills in minutes one glass at a time. Why wait? The skybar Wine Chill Drop cools a single glass of wine to the ideal serving temperature up to 20 times faster than your refrigerator can chill a full bottle. Now when you get home from the wine shop you don't have to wait hours for that special bottle of wine to chill in the fridge. Enjoy a glass right away! The sleek attractive shape of the Wine Chill Drops adds a stylish note to your table. 2 Wine Chill Drops and two holders in each package Chills a single glass of wine up to 20 times faster than the refrigerator Fits wine glasses and Champagne flutes Sleek polished stainless steel finish with convenient holders to protect table surfaces

Regular price: ~~39.95 USD~~
