vinOair Wine Aerator

Description:

Ingenious construction complemented with optimal convenience. This on-bottle wine aerator does it all: serves up a perfect pour eliminates drips and fully aerates and oxidates your wine for maximum flavor and quality. Using innovative technology the vinOair wine aerator has a specially designed dual venturi chamber that pulls twice the vacuum as other leading aerators to more fully oxygenate your wine (unlocking premium flavors and aromas) while the sleek compact size makes for effortless portability. Simply place aerator on the mouth of your wine bottle smoothly pour yourself a glass and voil-perfectly oxygenated wine in seconds! Works with both red and white wines. Size: 7'L

Regular price: ~~49.95 USD~~
